WELCOME BREAKFAST - \$1,500

Invite attendees in with a continental buffet and hot coffee. An especially welcome sight for those who drive downtown at first light!

MORNING EDUCATION - \$1,000/ea

Probably the most important part of our Fall Meeting are the educational programs spread over the course of the day.

MORNING COFFEE BREAK - \$1,000

Get up, stretch your legs, and catch up with colleagues over the morning break.

NETWORKING LUNCHEON - \$5,000

This is a great time for attendees to exchange the latest industry news and enjoy a gourmet meal.

AFTERNOON EDUCATION - \$1,000/ea

As the day continues, afternoon sessions will include a panel about how to prepare for your company being sold, and regulatory updates.

CALIFORNIA COFFEE BREAK - \$1,500

The last stretch before we complete the work, by now the chatter will include the information presented earlier in the day.

COCKTAIL RECEPTION - \$3,000

It's not just 5 o'clock somewhere, it's 5 o'clock here! Work is over and the fun begins.

DINNER - \$5,000

Carving stations, Asian Finger Food (...also known as sushi) and Gourmet Pasta dishes to order. Everyone's favorites are available!

DINNER WINE - \$2,000

One of the ways we keep a lid on costs is to purchase our wines through a wholesaler and then pay a corkage fee to the venue where we have an event. This allows us to serve great wines at our meetings for a really reasonable sponsorship fee. This is California....the wine has to be good!

ENTERTAINMENT (MUSIC) - \$1,500

A huge part of the evening's success is the music we enjoy. Put your company front and center with a big sign next to this part of the fun.

WHAT'S MAKING OUR FALL MEETING SUCH A SUCCESS?

The extraordinary value for sponsors and attendees as well is a big part of it. Leaders like you help us provide a meeting that delivers more "bang-for-the-buck" than anyone else around, and we work hard to ensure that we have a meeting that is well attended and talked about for months afterwards. With just the right mix of networking, education and fun, our sponsors have something meaningful to show for the dollars spent.

All sponsorships include your company logo on signage immediately adjacent to the activity, in program materials, and on the NIA website as well as pre and post event acknowledgements by program moderator.
